

Hello everyone,

I hope you have had a good week.

We had a very successful Early Years Open Day; everyone who attended had fun.

Prospective new families felt very positive about Eastbrook and we hope to greet them and their children in September.

We are very much looking forward to greeting all our families on Monday when we are holding our Consultation Day.

We really value the strong links we have with our families which is why a dedicated day allows us more time to share work with you and discuss your child's progress

EXCITING NEWS

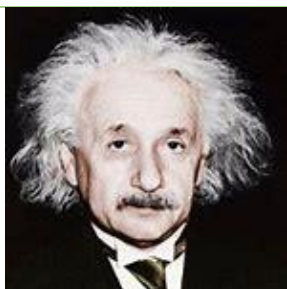

Our exciting news this week has been the arrival of our chickens. If you follow us on Twitter (@EastbrookPri) or Instagram (@eastbrookprimary) or walk round to Reception/KS1 you will have seen them already!

We have had a very good response from children wishing to help look after them and the rabbits and we will organise groups for next week.

Time Tables Rock Stars

We are really pleased to be top of the league table of local schools for response time! This is based on the average speed it takes our pupils to answer their times tables questions correctly!

We need all of our children doing their times tables practice on TT Rock Stars. Please ensure they do this. If you have any problems logging in, please speak to your child's teacher, or the office.

PE Kit

Year group PE days are below. Please ensure your child has the correct change of kit. Too many children are wearing their school uniform for PE which is not acceptable. Thank you for your cooperation.

PE TIMETABLE

CLASS	DAY
1 , 2 and 3	Tuesday
4 , 5 and 6	Thursday

Change of date for years 4 and 5

Due to parent's consultation meetings on 25th November, the visit to the Natural History Museum is now taking place on **5th December**.

Uniform

Standards of uniform have been slipping a little recently.

We are extremely proud of our school and our uniform is a symbol of that.

Please check our policy and ensure your child is in the correct uniform every day.
