Newsletter Friday 31st January 2020

Hello everyone,

I hope you have had an enjoyable week. I've had a feeling of great pride as I've walked around school this week. I've seen some fantastic activities and learning in every room. The children have developed a very positive attitude towards their learning which is very pleasing to see.

The biggest highlight of the week has been winning our first trophy- the first of many, I'm sure. Our New Age Kurling team were crowned borough champions on Tuesday. Again, a moment of great pride. Congratulations Gabriellus, Duke, Jorgie-Jay, Ronnie and Mrs Nicholas!

Have a great week.

The course will start at 09:00 in the school hall.

HOMEWORK

It is so important that all our pupils do the homework that is set for them.

We have noticed too many children appear to not be practicing their times tables and spellings. Please ensure you spend some time with your children every day on their homework.

ONLINE CALENDAR

We now have an online calendar that you can subscribe to. Please visit our website and click the calendar tab at the top of the page.

UNIFORM

Standards of uniform have been slipping a little recently. We are extremely proud of our school and our uniform is a symbol of that.

Please check our policy and ensure your child is in the correct uniform every day.

NEW SCHOOL GOVERNOR

We have a new parent governor. Mrs. Dominique Nelson will be joining the Governing body following our recent ballot.

We would like to thank all other nominees for their participation and continued interest and support in the school.

ATTENDANCE

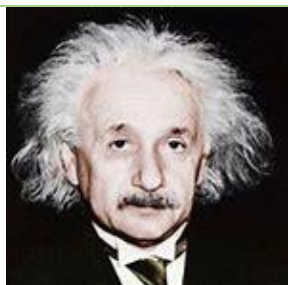

We would just like to remind all parents that when your child is absent you must inform the school of the reason why. This must be done for **every** day that they are off. If your child is seen by a doctor, please bring your appointment card as proof of absence.

BUG CLUB

The “Bug Club” is an on-line resource for you to use at home.

Bug Club is a scheme used at Eastbrook to support reading. Pupils are allocated a book colour level that is right for them and develops their reading not only for fluency but also for comprehension skills. Early readers benefit from the ‘Read to Me’ option within the book they are reading.

Along your child’s Bug Club journey, they can earn points in their own personalised account.

Reading is a key route into learning and without this skill, children can’t achieve to their best potential or build on prior knowledge to help them make sense of the world. Reading supports every subject within schooling.

Bug Club is available for the whole school - Reception to Year 6. Your child’s teacher has allocated specific books for him/her to read at home.
