

Hello everyone,

I hope you have all had a good week.

Today our school rabbits moved in! Mini and Bloom have been staying at my house since half-term while we got their new home ready. Full credit, and my sincere thanks, go to Mr Rolls who has worked tirelessly to put together their hutch (as well as the chicken coop) and a very sturdy, predator proof enclosure.

The rabbits have settled in well at school and, Miss Smith will be visiting them over the weekend to ensure this remains the case. They are both girls and have been named after the authors Mini Gray and Judy Bloom.

This week your child brought home their House Poster. We are extremely proud of these. Each poster contains a quote from the scientist after which the house is named that we refer to in school to help us with developing our character education. You may refer to it at home too.

I hope you have a good weekend.

Evan Hollows

Baking club has now been running for 2 weeks, the children have had fun preparing and making Rice Krispy Cakes and sponge cakes. The children are looking forward to continuing with their baking skills.

## PE KIT

It is very important your child has a change of clothes for PE. Too many pupils are coming to school without this and are having to do PE in their regular uniform. Changing for PE is very important for health and safety reasons.

Thank you for your cooperation.
