

Primary Sports Premium Review 2019-20

The engagement of all pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school

- Introduction of Tenergy. A fun, exciting and active 10-minute programme that can be delivered by teachers, TAs and sports coaches at any time during the school day.

Whole staff inset which all primary teachers attended on 10th March 2020 led by Bobbie Gargrave and Elaine Burgess. Teachers provided resource pack and various ideas of how to put “Tenenergy – Ten Minutes of Energy” into their school day.

- Regular and consistent PE - Weekly Physical Education for all pupils in year 1-6 with qualified PE specialist teacher.

Carousel worked really well. New improved PE curriculum provide new experiences and recap of previous knowledge in other sports also.

- Lunchtime sport clubs

In years 1 – 6 pupils have the opportunity to do sports activities in their lunch break with qualified sports coach.

Every lunchtime until lockdown pupils offered structure physical activity which is age appropriate overseen by specialist sports coach.

THURSDAY	4
FRIDAY	5 & 6

- Primary Panathlon for SEN pupils - Sports event suitable for pupils with SEND who might not be able to access mainstream borough competitions

We managed to attend Panathlon New Age Kurling and won! Being borough champions we then made to next round to represent Barking and Dagenham in London schools competition. Unfortunately, due to COVID the London youth games was cancelled.

To increase involvement in extra activities on offer in school. To ensure all children have equal access to a broad and balanced curriculum: -

- Promotion of PE and sports around the school
Sports dojos (rewards) and regular updates in newsletter. Certificates for sports and some small trophies given in awards assembly. Sports Notice board with curriculum and school teams and achievements 2019/20
- Increase Extra-curricular activities opportunities:

Extra-curricular clubs were well attended, these included:

- ❖ Trampolining – 10 pupils
- ❖ Football – 49 pupils
- ❖ Mulitsports – 37 pupils
- ❖ Karate – 33 pupils
- ❖ Tag-Rugby – 10

Increased confidence, knowledge and skills of all staff in teaching PE and sport

- Qualified Secondary school PE teacher to work alongside TA's to impart knowledge of a variety of sports throughout the year.

PE lessons have TA support, this member of staff worked alongside PE teacher every lesson, gaining knowledge of physical education and confidence in delivery.

Broader experience of a range of sports and activities offered to all pupils

- Trampoline bought from sports premium money
Every pupil in year 4, 5 and 6 were taught trampolining in their PE curriculum this year. A weekly club for pupils in year 3 also took place, meaning every pupil at KS2 had the opportunity to participate in trampolining.
- PE specialist teacher from secondary school introduced new sports to the curriculum including trampolining, Boccia, New Age Kurling and also enhanced PE lessons from previous years.
- More opportunity for recreational physical activities in pupil break times

Middy assistants have a storage area well resourced with sports equipment which is

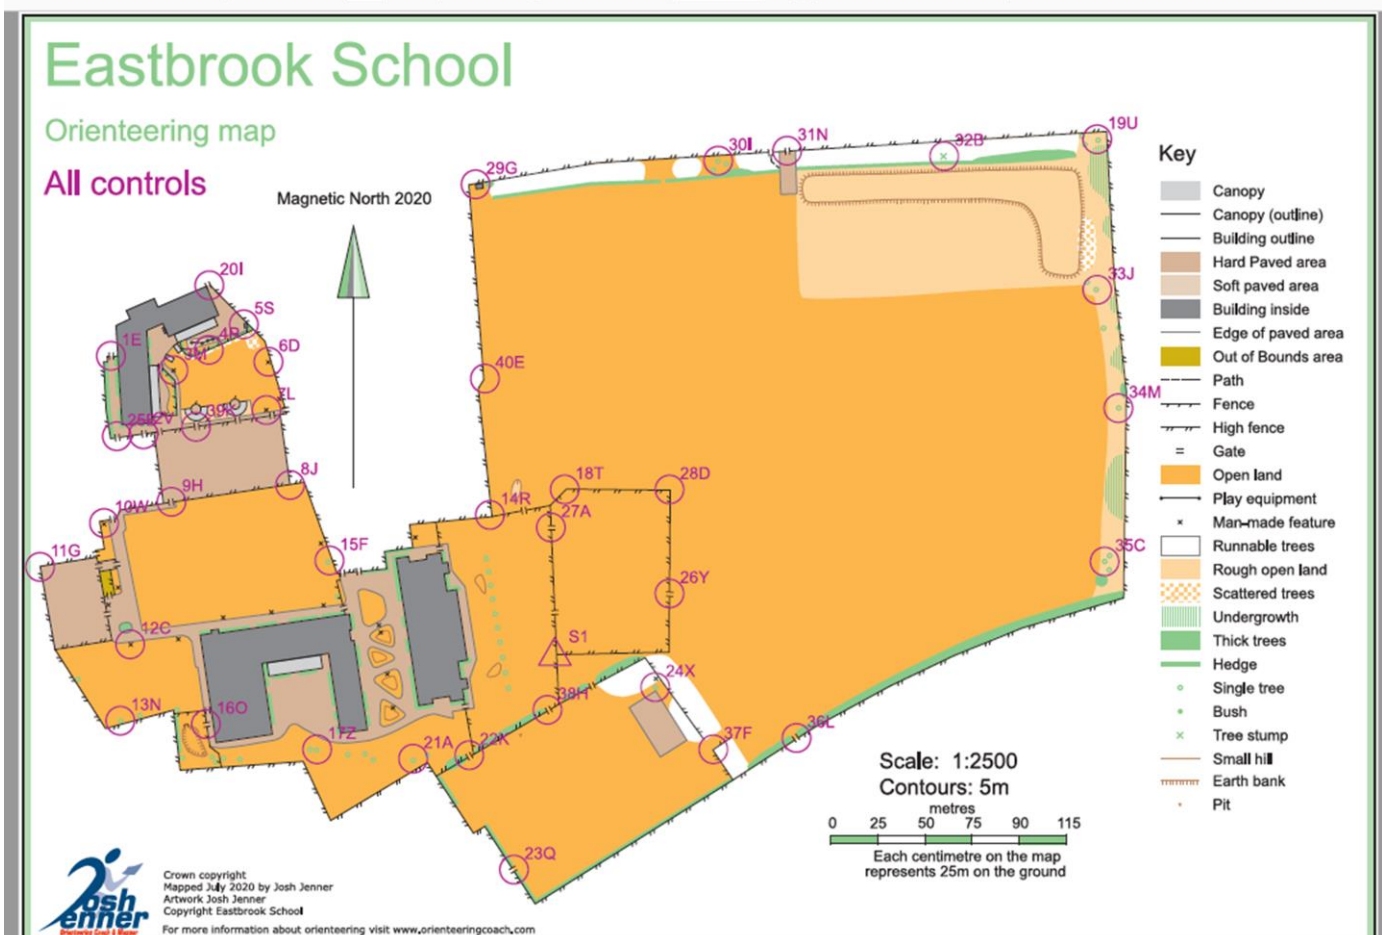

replenished each term as equipment is broken or damaged due to high daily usage.

- PE provision overview Range of activities pupils participated in PE 2019/2020:

- ❖ Health related fitness
- ❖ Basketball
- ❖ Boccia
- ❖ New Age Kurling
- ❖ Multisports
- ❖ Swimming
- ❖ Outdoor Adventurous Activity
- ❖ Dance
- ❖ Trampolineing
- ❖ Gymnastics

- Orienteering to be added to curriculum next year and Bike Ability training for KS2.

With money not spent due to COVID we have relocated funds towards starting next year 'bike it programme' including extra-curricular bike club and orienteering for lessons and in future borough competitions. Money spent for orienteering mapping of Eastbrook site (3 courses) and repairing teacher bike ability can start Autumn term 2020.

Increased participation in competitive sport

More competitive competitions

Eastbrook Primary school successfully entered more inter borough competitions than previous years. These included:

- ❖ Sports hall athletics - We attended our first year of Sports hall athletics with mixed team year 5 & 6
- ❖ Quad kids athletics, Key steps Gymnastics and Boccia – cancelled due to COVID
- ❖ Badminton racket pack festival - Badminton training was attended 24th September 2019.
- ❖ New Age kurling – entered and won. **Current borough champions**
- ❖ Virtual multi sports All pupils in years 1 and 2 took part in virtual multi sports competition. Gave some great data for core skills which can be used to assess progress in future years. **Current borough champions**

Staff PE KIT & School Team PE KIT

New PE kit for staff in charge of PE in Eastbrook school colours Green, Yellow and Black
Pupils will see the importance placed on the subject by the school.

All Staff members all have fleece to provide warm and recognition when attending sports events or over seeing sports activities. Key staff who are often outside now have a coat for overseeing physical activity.

New sports kit included:

- ❖ Leotards for Gymnastic competition
- ❖ New spare PE kit for pupils to borrow available at reception
- ❖ Team kits for KS 1 and KS2 (see kurling photo page 2)

We have attended events in our new PE kits. Our pupils wore it with pride and really helped with motivation and giving pupils a sense of belonging to a team.
