

22 March 2022

Dear Parents/Carers,

Some of you may be aware that we welcomed a new cohort of pupils into our school in October 2021. Apollo ARP is a special facility, in our school, which provides a learning environment for pupils with Autism. The pupils in the ARP range from Reception to Year 4 and have settled well in their new environment.

On the week commencing Monday 28th March schools all over the country will be celebrating Autism Awareness and Acceptance Week. For autistic people all over the country, this is an important time to acknowledge the diversity of our community.

Eastbrook Primary School will be celebrating Autism Awareness and Acceptance Week and we ask that you begin by wearing something blue to mark the week. The ARP will also be providing blue ribbons as a recognition of Autism. There will also be other activities occurring that week which some pupils will be involved in.

We thank you in advance for your continued support.

Sonia Sylvester

A handwritten signature in black ink, appearing to read 'Sonia Sylvester'.
