

Dear Parents/ Carers,

RE: Year 11 end of term arrangements – Work Experience Week

We have great pleasure in launching Eastbrook School's Work Experience Week for Year 11s, taking place during the week beginning Monday 24th May 2021.

As you know, the effect on the world of work brought upon by the global pandemic has been drastic. We will support your child to prepare for the new normal of working life by providing a full week of work related experiences such as virtual careers fairs, world of work conferences and careers mentoring, provided by universities and educational organisations.

The week will begin as normal in school on the Monday, when your child will receive the programme of activities. At this point, the normal timetable is suspended. Many exciting events run by outside speakers, companies and organisations will take place throughout the week, either virtually or on-site.

The conclusion of the week on Friday 28th May will also mark your child's final curriculum day at Eastbrook School. Year 11 students officially complete their secondary school education at the end of June and the Government has stated that this is unchanged for 2021. Teacher assessed grades will be submitted on the 18th June and students must be available to come into school until that point. We also look forward to your child attending school to receive their GCSE results in August.

Whilst writing, may we remind you to purchase your child's ticket for the Year 11 Leavers Prom which takes place on Friday 25th June, via ParentPay, if you have not done so already.

We feel extremely proud at what the year group have already achieved, especially in the most challenging circumstances. We wish your child much success for the future.

With our warmest regards,

Mr A Nathan MA Ed.

Achievement Head of Year 11

Mr A Morris

Pastoral Head of Year 11
