Activity: Cooking – Grains of Knowledge

The cooking sessions will teach young people how to make their favourite fast-food meals, in a healthy way. This encourages children to learn what is in their food and equips them with the skills at an early age to be able to prepare their own nutritious meals. Young people are empowered to use cooking equipment safely and be a part of the decision making around what they eat. Participants learn the make up of their meals and gain a better understanding of what is in their food and how to get the most out of a meal. Making healthy eating interesting and exciting.
